

Work Readiness through Adult Education

Are you looking for a job or do you want to advance in your current career?

Do you need a credential to get your foot in the door?

Employers are looking for individuals who have

- ❖ Strong Workplace Math and Reading Skills
- ❖ A Positive Attitude towards Work
- ❖ Effective Verbal and Written Communication Skills
- ❖ Solid Work Habits including showing up on time and ready to work

Mercy Neighborhood Ministries can help you improve your basic skills and strengthen your work habits.

What are the benefits of Aspire?

- **Small group, classroom** instruction led by Education Specialists covering applied math and reading skills for the workplace
- **Individualized tutoring** from dedicated volunteers
- Access to **computer keyboard and computer instruction** for high school equivalency testing including GED, HiSet, and TASC
- Support from a **Workforce Coach/Navigator** to help you develop an **individualized career pathway plan**
- Onsite referrals for **wrap around supportive services** to help when a life crises occurs

We are an **authorized ACT Workkeys test site**. Adult learners gain access to KeyTrain learning modules that will prepare individuals for the WorkKeys tests leading to a **National Career Readiness Certificate (NCRC)** work credential.
